LOVE

"For God so loved the world, that he gave his only begotten Son, that whosoever believeth in him should not perish, but have everlasting life". John 3:16

Oh, how great is that Love! Have you stop to wonder the infinite power of Love? Love is an action word and not a mere abstract idea. Love moves, it penetrates. Love supersedes every form or power. Love has the ability to overcome faults, failures and past hurt.

"Above all, love each other deeply because, Love covers a multitude of sins". I Peter 4:8

Have you ever considered your love for God? Have you ever thought about the love that you have for your child? What about a spousal love? Have you ever had to show love to someone that has wronged you?

A parent loves their child without the requirement of the child doing anything at all. You love your child without limits. Your love for your child is not conditional, it is unconditional. It is considered "Agape Love".

Whatever season you are in, take the time to reflect on your love walk. Make sure that you take the time to show people that you love them. God's word shows us how to do that.

"Love the Lord your God with all your heart, and with all you soul, and with all your mind. This is the first and greatest commandment. Love thy neighbor as thyself". Mark 12:30-31
